The organizers of the **Second Adriatic Symposium on Biophysical Approaches in Biomedical Studies** have the following important updates to pass along:

SCIENTIFIC PROGRAM: View the updated program here: <http://www.babs-symposium.com/index.php/program-and-speakers/scientific-program>.

ABSTRACTS: We have been asked to extend the deadline for abstract submission. The new deadline is **Monday, July 3, 2017**. Acceptance notifications will be emailed by Friday, July 14, 2017. Visit <http://www.babs-symposium.com/index.php/dates-and-deadlines/abstracts> to view guidelines and download the form. Questions regarding abstracts may be directed to abstracts@babs-symposium.com.

REGISTRATION: Take advantage of our “early bird” lower registration rates by registering before July 31. Visit <http://www.babs-symposium.com/index.php/dates-and-deadlines/registration> to view registration info.

SPECIAL ISSUE OF CELL BIOCHEMISTRY AND BIOPHYSICS (CBBi) TO BE DEVOTED TO THIS SYMPOSIUM: Short research articles, overviews, reviews, and minireviews will be rapidly peer reviewed. Please visit <http://www.babs-symposium.com/index.php/program-and-speakers/special-issue-of-cbbi> for more details.

YOUNG INVESTIGATOR AWARDS OFFERED: The journal *Archives of Biochemistry and Biophysics* is offering two \$250 Young Investigator Awards for best poster and/or best short oral presentation (<http://www.babs-symposium.com/index.php/program-and-speakers/young-investigator-award>). Graduate students and postdoctoral fellows should enclose a letter from their institution as a confirmation of graduate student/postdoctoral status, together with registration form, in order to be eligible for this award.

From the Organizing Committee, we thank you for your participation in the **Second Adriatic Symposium on Biophysical Approaches in Biomedical Studies**, and we look forward to an exciting conference!
