FIFTH ANNOUNCEMENT

Below are some important updates from the organizers of the **Second Adriatic Symposium on Biophysical Approaches in Biomedical Studies**:

SCIENTIFIC PROGRAM: We strive to create a scientific program that is current and relevant to meet our registrants' diverse needs and interests. The program is undergoing updates and the new version will be posted soon at <http://www.babs-symposium.com/index.php/program-and-speakers/scientific-program>.

ABSTRACTS: Our publisher has allowed us to extend the abstract submission deadline. The final deadline is **Wednesday, July 19, 2017**, and acceptance notifications will be emailed by July 26. *However, if you wish for your abstract to be considered for short oral presentation, then we must receive it no later than **Wednesday, July 12**, and acceptance notifications will be emailed by July 19.* Visit <http://www.babs-symposium.com/index.php/dates-and-deadlines/abstracts> to view guidelines and download the form. Questions regarding abstracts may be directed to abstracts@babs-symposium.com.

REGISTRATION: Remember to register before July 31 when the lower "early bird" registration fee ends. Visit <http://www.babs-symposium.com/index.php/dates-and-deadlines/registration> to view registration info.

YOUNG INVESTIGATOR and TRAVEL AWARDS OFFERED: All graduate students and postdocs are welcome to apply for the Young Investigator (<http://www.babs-symposium.com/index.php/program-and-speakers/young-investigator-award>) and the Travel (<http://www.babs-symposium.com/index.php/organization/student-awards>) awards. Follow the instructions on the website, and express your interest to participate by emailing registrations@babs-symposium.com.

VISAS: Upon request, a letter of invitation can be provided to those registrants requiring a visa for travel to Croatia. Contact nada@pmfst.hr if you need such a letter.

We are looking forward to meeting you all in Split in September, at what promises to be a most stimulating and enjoyable event!
