Dear Participants:

The **Second Adriatic Symposium on Biophysical Approaches in Biomedical Studies** begins in just a few short days! At this time, we would like to share answers to frequently asked questions.

## FAQs

**Where and when is the Symposium check-in?** The conference desk will be located just inside the entrance and adjacent to the meeting space at MedILS. The desk will be staffed between 16:00-18:00 on Sunday, September 24. If, due to a late arrival, you are unable to check in on Sunday, you may also check in on Monday, September 25 beginning at 08:00. Upon check-in, you may pick up your conference abstract booklet and bag of conference materials. The abstract booklet contains all oral and poster abstracts.

**Where may I exchange currency?** You may exchange your currency at the airport or in town. There is no ATM at MedILS.

**What is the suggested attire for the Symposium activities?** Participants will probably be most comfortable in “business casual” attire for the conference sessions, and a little dressier attire for the Welcome Reception and Gala Dinner. You may wish to pack extra layers to prepare for variances in room temperature due to air conditioning.

**I am presenting an oral talk; what do I need to know?** Please refer to the Presentation Guidelines posted on our website: <http://www.babs-symposium.com/index.php/program-and-speakers/presentationguidelines>.

**I am presenting a poster; what do I need to know?** Please refer to the Presentation Guidelines posted on our website: <http://www.babs-symposium.com/index.php/program-and-speakers/presentationguidelines>.

**I applied for the Young Investigator Award (YIA); when will the winners be announced?** All eligible presentations will be carefully reviewed by the YIA committee, who will choose the winners on Thursday, September 28. The names of the prize winners will be announced during the Closing Reception.

**My company is exhibiting at the Symposium; what do I need to know?** For logistical questions about setting up your booth, please contact Marija Raguz by email ([marija.raguz@mefst.hr](mailto:marija.raguz@mefst.hr)).

(continued)

**Where may I find additional information about the Round Table Meeting on Monday?** Listen during the Opening Ceremony on Sunday, September 24 and in the announcements on Monday, September 25 to learn more about this important activity.

**I am staying at a local hotel; how do I get to the Symposium venue?** Information about the shuttle bus will be posted on the Symposium website.

**Will there be a group photo taken during the Symposium?** A group photo will be taken immediately after Session 1 on Monday, September 25. An announcement will be made regarding the exact time and location.

**I forgot to return the form indicating my meal choice for the Gala Dinner; what should I do?** Contact Danijel via email ([danijel.nejasmic@mefst.hr](mailto:danijel.nejasmic@mefst.hr)).

**I wish to participate in one of the optional tour activities; what should I do?** Contact Danijel via email ([danijel.nejasmic@mefst.hr](mailto:danijel.nejasmic@mefst.hr)).

**What if I need help during the Symposium?** Any of the organizers staffing the registration desk will be happy to assist you.

**In the event of an emergency, how can my family reach me during the Symposium?** Urgent messages can be left at +385 98 768 819. Urgent messages will be relayed by announcement from the podium, and will be posted near the Symposium desk; please check this board regularly.

As co-chairs of the Symposium, we would like to thank all of the Organizers who have worked tirelessly on preparations. Special gratitude goes to our Sponsors and financial supporters. And to all of our oral and poster presenters and registrants, we are grateful for your participation and contributions to this event. It gives us great pleasure to warmly welcome all of you in Split next week! We hope you will take full advantage of this opportunity to meet and network among the attendees, and to enjoy all that the beautiful city of Split has to offer.

Sincerely,
